

From the Director

Teri Shine, Executive Director, WSAA

Recent events in Chardon have weighed heavily on the minds of Wickliffe alumni. Those who are directly involved in Chardon, those who remember the events at the Wickliffe Middle School, and those who were just genuinely impacted by the tragedy that unfolded. I was contacted

by a few alumni who want to do something special for the Chardon community. If you want to be involved in this endeavor, please contact me and I will share your ideas with the other alumni so a plan can be developed.

WSAA had a successful Super Bowl Chinese Auction and Basket Raffle this past February. Many thanks to the co-chairs Sue Skufca Bell and Lori Ondecko whose hard work and planning made it a success. Thank you also to other committee members Mark Cline and Gloria Whitmer Majeski, members of the WSAA Board and volunteers who worked the floor, the Middle School PATT who provided a concession stand, the generous donors who provided goods and services and to all those who attended. We are planning next **year's event, so look for the date at the website in the fall.** The monies raised are used for scholarships and the general fund of maintaining the WSAA.

The next event the WSAA will be involved in is WHS Senior Awards Night. The event takes place Thursday, May 24th. WSAA provides six \$500 scholarships

Important Notice - Please Read

As we all know, the lagging economy has taken its toll on many families and businesses. The WSAA is no exception. Unfortunately, the costs of producing and mailing our newsletter has risen since the Association's inception. **Currently it costs over \$3000 to print and mail each edition of our newsletter.** This financial strain, along with the fact that the WSAA would like to be more environmentally friendly, has **prompted our decision to "Go Green."** This will be the last of our printed newsletters. All future newsletters will be sent electronically, so please be sure to log onto our website at www.WickliffeAlumni.org to update your email address.

We realize that there are some alumni who do not have access to computers. In these cases, we offer the following suggestions:

1. Ask a friend or family member to register on the alumni website (non-alumni can register **as a "friend/supporter" on the drop down tab for the "graduating class" section**). They will then receive the emailed newsletter and can print for you.
2. Go to your local library for access to a computer. All newsletters are available to print and download at our website.
3. Call or write to us, and we will print and mail for you!

They Just Don't Have Good Nicknames Today

2012 is the Golden Anniversary for the Wickliffe Class of 1962. Hopefully, there will be a reunion. But, even if not, I think it's time to pay homage to them for being outstanding in a very unique way!

Boy, when you think about it, there were really good nicknames back in the day, especially for guys. Everyone probably remembers one or two nicknames **from their classmates or schooldays, but it's rare to find a concentration of classics ranging from pet names to absolute killer monikers in just one high school class.**

If you ask me, the Wickliffe Senior Class of 1962, is, without a doubt, the best nick-named group of all time! There were the typical diminutives - Mar, Stu, **Lin, Nanc, Benj, Bion, Boz, Fern, 2 Gooch's and RichyDee.**

But then, they had 'Fingers', 'Scratchy', 'Creamy' and 'Binker', just for a start. Also, 'Gypsy', 'Movin' Eddie', Yogi. How about Grendel and Chipmunk, or Parky, Pepé and Crow?

Now, those who weren't members of this class simply had to marvel at the creativity and spot-on appellation-ism of this activity. No one could live up to the standard this group established! In fact, this **demonstrated "onomastics at the highest level"** clearly illustrates a spectrum of nicknaming techniques before they were even catalogued some seventeen years later. *(See footnote for further insight.)*

Moving right along, we get to 'Sloppy Joe', 'Shoulders' and 'Sleepy' who were certainly remembered if hearing their names.

Wrapping it up, we come to 'Chrome Dome', the 'Hipster Blipster' and 'Loppy' which, in toto, sets the Class of 1962 at the pinnacle in the artistry of sobriquets.

Yeah, they sure don't have so many good nicknames like that today. So, a hail to the Class of 1962 for making memorable so many of their classmates from 50 years ago.

Hope you all have a great reunion!

In Memoriam - Ms. Capasso

By Dave Iacobucci

Over the past couple years it was nice re-connecting with Ms. Christina Capasso. Her unexpected death has led me to reflect on the times many of us fondly remember of Ms. Capasso. Without her knowing or even trying, she gained everyone's respect. She made us laugh, she made us trust, she made every student she had feel important...to themselves and those around them. There was just something in her demeanor that made you feel that she had the utmost respect for you and it led you to have that same respect for yourself. She never judged or pre-judged any of us. If we were not successful at something, she was there to assist you in being successful, whether it was Crime and Punishment or even with your newly created "masterpiece" from Art Class next door to her room. She was there to find the good in each project and each person.

These past several months, I enjoyed playing **"Words With Friends" with her on our iPhones. I** was a bit intimidated because I knew I would never win, but I so looked forward to the message on my phone that she had finished her move and it was my turn. We never went a day without playing until that day that illness took over. I had sent Ms. Capasso a message asking if all was ok because it was so out of character to miss a day of our game. Then I got my answer...Christina Capasso has Resigned. In this case, Ms. Capasso had resigned this life to enjoy her greater reward she so truly deserved. Rest in Peace Ms. Capasso. Until we meet again.

Keep your letters coming!

We love to you hear from you.

2012 Super Bowl Chinese Auction

By Sue Bell

The WSAA kicked off our Super Bowl Chinese Auction on February 4th at the Willoughby Hills Community Center. With the lagging economy, the WSAA opted to run a new route, call an audible, if you will – changing the format of our annual fundraiser from a reverse raffle to a basket auction.

Tickets to the event were only \$10 with \$5 given back in auction tickets. This new format resulted in a touchdown for all. Generous donations from board members, alumni, corporations, and friends of the WSAA helped to create a playbook of over 160 baskets of varying themes and values. Our grand prize baskets included a five day vacation to the Dominican **Republic, a 46" flat screen television, a golf package to Chagrin Falls Country Club, and a huge basket of cheer.**

On the sidelines, vendors were selling squares to our giant Super Bowl board and tickets to a 50/50 raffle. During the halftime show, 12 lucky fans made the playoffs each winning a special football themed prize.

A "super" time was had by all, and we are already planning the draft for next year!

A special thank you is extended to Wickliffe Eagles, Mark Cline, Dave Krych, and Tim Reid for donating big ticket items. Thank you also to all committee members, WSAA board members, donors, and volunteers. Last, but certainly not least, a big thank you to all who attended the event and helped to make it such a big success.

In Memoriam

By Nancy Perlic

In loving memory to all our fellow classmates that have passed away, the Wickliffe Schools Alumni Association website (www.wickliffealumni.org) now has an "In Memoriam" page.

Please take a moment and view the names and let us know if you have a friend or loved one that should be included. (On the "Directory" tab, choose "In Memoriam" from the drop down list, click to open) Please use the provided form to have a departed classmate honored on this page. Provide as much information as possible (Full Name, Date of Birth, Date of Death, Year Graduated and link to obituary if possible or copy of death notice).

And the Winner Is...

Last year we held a membership drive with the goal of attracting new members to the website and gathering updated contact information from our existing membership. Anyone who registered or updated their contact in-

formation during the drive was eligible to win a 16 GB + WiFi iPad 2 tablet computer.

The response was a big success. Over 600 of you visited the website to register or update your information. The winner was randomly selected from that list of 600 that participated in the contest.

The lucky winner of the WSAA iPad 2 giveaway is Patrick McDowell. Patrick, please contact Roger Mikulandra or Teri Shine to claim your prize.

Annual Golf Outing

The Annual WSAA Golf Outing will be held on Monday, August 6th at Pine Ridge Country Club. Tee time is 8:00 am.

It is time that you "like" the Wickliffe Schools Alumni Association group and be part of the action. You can join by going to the Wickliffe Alumni website and click the big Facebook link on the home page. Just click the  button on our Facebook page. Tell all your Facebook friends that went to Wickliffe to join the group today.

The Alumni Association will keep you up to date with upcoming events and post pictures of special moments during some of those events.

Planning a class reunion? Post the details on the Wickliffe Schools Alumni Association Facebook page. Looking for help planning a reunion? Can't find a classmate? Maybe someone in the group has the information you are looking for.

It would be interesting to see how far away from Wickliffe our friends from school have put down roots. Let's use this great source, the possibilities are endless.
